Dear Francesca

Thank you for the work you are doing to highlight the Maui's dolphin – one of the world's smallest cetaceans and a special New Zealand species that is an important taonga to Māori.

The Government understands how important Maui's dolphins are and I want you to know we are doing all we can to protect this important species for future generations to enjoy.

Please find enclosed your blue folder, and be assured we will look into the concerns you have raised.

Yours sincerely
